

silent type 50Hz 60Hz diesel engine generator set

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel Tank Capacity: 50L-1000L
- Voltage: 220V-440V
- Type: Silent Diesel Generator
- Certificate: ISO9001/CE/SONCAP/EPA
- Speed: 1500rpm/1800rpm
- Cooling System: Air/Water
- Starting System: Electric/Manual
- Phase: Single/Three
- Highlight: **50Hz Diesel Engine Generator Set,
60Hz Diesel Engine Generator Set,
220V silent type generator**

Product Description

Product Description:

Silent Type Diesel Generator Set is designed for providing reliable power with minimum noise at a competitive price. It is equipped with Cummins power diesel engine, which is reliable and has low noise level. The generator set is widely used in various industries, such as telecommunications, banks, hospitals, etc. The dimension of the generator set is 1000*800*1200mm and the net weight ranges from 500kg to 3000kg. It can be started either manually or electrically. The noise level is significantly lower than 85dB(A). Besides, it is also equipped with air or water cooling system, which provides more efficient cooling.

Cummins power diesel generator is renowned for its superior performance and long lifespan. Its silent type diesel generator provides reliable, continuous and stable power supply with low noise level. This silent type diesel generator is perfect for applications where low noise is of utmost importance. It is also an energy-saving and cost-effective solution for your power generation needs.

Low Noise Generator is the ideal choice for any occasions where noise reduction is desired. It is designed to provide reliable and continuous power supply with minimal noise. It has a compact and lightweight design that makes set-up and transportation easier. With its advanced air or water cooling system, the low noise generator ensures efficient cooling and superior performance.

Silent Type Diesel Generator Set is the perfect solution for any application that requires reliable and low noise power. Its Cummins power diesel engine, low noise level, air or water cooling system, and competitive price make it the ideal choice for any power generation needs.

Features:

Product Name: Silent Diesel Generator

Frequency: 50Hz/60Hz

Type: Open Silent Type Diesel Generator

Dimension: 1000*800*1200mm

Speed: 1500rpm/1800rpm

Phase: Single/Three

Generator Set: Silent Type Diesel Generator Set

Technical Parameters:

Attribute	Value
Dimension	1000*800*1200mm
Frequency	50Hz/60Hz
Noise Level	≤85dB(A)
Fuel Consumption	≤210g/kw.h
Phase	Single/Three
Cooling System	Air/Water
Voltage	220V-440V
Power	5kW-3000kW
Type	Silent Diesel Generator
Certificate	ISO9001/CE/SONCAP/EPA
Application	Open Silent Type Diesel Generator, Diesel Generator Set, Silent Type Diesel Generator Set

Applications:

Minlong's Silent Diesel Generator has gained immense popularity for its high efficiency and long-lasting performance. It is a perfect choice for businesses that require reliable power supply for uninterrupted operations. The Open Silent Type Diesel Generator, Silent Type Diesel Generator, Cummins Power Diesel Generator, Stamford Alternator Diesel Generator, Perkins Diesel Generator is designed with advanced features that provide high power output with low fuel consumption (≤210g/kw.h). It is very easy to maintain and comes with an ISO9001 certification. The minimum order quantity is 1 piece and the delivery time is 10-15 days. The price of the Silent Diesel Generator depends on the net weight (500kg-3000kg) and is negotiable. It is available with single or three phase voltage (220V-440V). The generators are packed in a wood case for safe transportation. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. The company offers 1000 pieces per week and a 1-year warranty on the Silent Diesel Generator.

Customization:

Silent Type Diesel Generator Set, Minlong Brand With ISO9001 Certification

Brand Name: Minlong

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiable

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 1000 pieces per week

Frequency: 50Hz/60Hz

Fuel Consumption: ≤ 210 g/kw.h

Voltage: 220V-440V

Warranty: 1 Year

Type: Silent Diesel Generator

Support and Services:

Technical Support and Services for Silent Diesel Generator

We offer 24/7 technical support for our Silent Diesel Generator. Our team of experienced technicians are available to answer any questions you may have and provide assistance with installation, troubleshooting, and maintenance.

We also offer comprehensive maintenance and repair services to help keep your generator running smoothly and efficiently. Our services include oil changes, fuel filter replacement, air filter cleaning and replacement, and spark plug replacement. We can also provide inspections and repairs for any mechanical or electrical issues.

Our team of experts is dedicated to providing you with the highest level of customer service. We are here to help you find the best solution for your needs and provide you with the guidance and support you need to get the most out of your investment.

Packing and Shipping:

Packaging and Shipping

The Silent Diesel Generator will be wrapped in bubble wrap and packaged in a cardboard box to ensure that it arrives safely and securely. It will be shipped via a reliable courier, such as FedEx, UPS, DHL, or USPS.

FAQ:

Q1: What is the brand name of the Silent Diesel Generator?

A1: The brand name is Minlong.

Q2: Where is the Silent Diesel Generator manufactured?

A2: The Silent Diesel Generator is manufactured in China.

Q3: What is the certification of the Silent Diesel Generator?

A3: The Silent Diesel Generator is certified by ISO9001.

Q4: What is the minimum order quantity for the Silent Diesel Generator?

A4: The minimum order quantity for the Silent Diesel Generator is 1.

Q5: What is the price and delivery time for the Silent Diesel Generator?

A5: The price is negotiable and the delivery time is 10-15 days.
